

At a time when we are buffeted and distracted by economic indicators and disruptive innovations, The most sustainable pivot could very well be ... toward our own sense of agency. Whether as individuals or owners, businesses or brands, We are the creators of our own futures. And the writers of our own stories.

TWO events over THREE days. Mark your calendars now to join us in October, first online and then in-person in New Orleans as we explore “The Next Chapter” for you and your business.

Start with the **OA22 VIRTUAL** two-day conference featuring C-suite insights on transitioning from one growth stage to the next, the latest emerging industry opportunities, an expert keynote on how to do business with the government, and rapid-fire presentations on immediate corporate contracting needs. Then meet us at the **OA22 LIVE** follow-up event at the NMSDC 50th Anniversary Conference & Exchange in New Orleans for information sharing and high-impact networking.

Each year, prior to the National Minority Supplier Development Council’s annual conference, the National MBE Input Committee presents the Opportunity Accelerator, an annual “conference before the conference” created by MBEs for MBEs. This event is FREE and open to all minority businesses, NMSDC corporate members and regional affiliate council staff.
